

# HEWSON

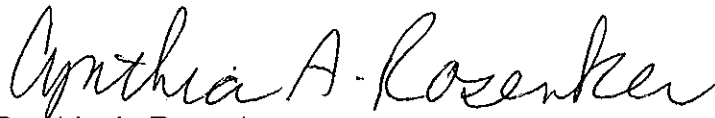

September 30, 2009

To Whom It May Concern:

We have been a client of N2 Network Solutions for over a year and have been extremely satisfied with the overall work ethic of this company. We are a small company, but when our network or other computer services are down, we are unable to produce any of our daily workload. N2 Network Solutions has been quick to answer any calls made to their company and has provided us with same day service on a high percentage of our calls.

We highly recommend N2 Network Solutions to anyone requiring quick and accurate service for all your IT needs. Their professionalism is to be commended.

Sincerely,

Cynthia A. Rosenker  
Chief Financial Officer
